V. Other Business

A. [Policy- 5771 Student Search and Seizure](#) Second Reading

Mr. Moore asked for clarification about when parents would be notified if their student is searched. Dr. Slaton responded that parents are notified by a building administrator as soon as possible after the search. If a student is uncooperative, parents may be contacted immediately. Dr. Slaton also confirmed that a staff member of the same sex is a witness to student searches.

B. [Elementary Handbook](#) - Second Reading

Mr. Moore questioned the difference between “at home practice” and “homework.” Mr. Brewster stated that “at home practices” were opportunities for students that are not assessed or graded. Homework is assessed and graded.

Mr. Moore asked how the stipulation of 15 minutes of after school homework for fourth graders and 30 minutes of homework for fifth graders could be enforced, especially since some students might not be able to do the same amount of work in that time. Mr. Brewster stated that building principals work with teachers to ensure that assigned homework is not excessive and that teachers differentiate as needed for students.

There was discussion regarding academic eligibility for elementary athletes being determined weekly rather than by

grading periods. Dr. Slaton explained that the elementary athletic season is only about 8 weeks and using the grading period would render athletes ineligible for the whole season.

There was discussion on policies and procedures regarding bullying and how incidents of bullying are tracked and documented. It was stressed that bullying must be reported by teachers, parents and administrators and documented from day one at the building level. The Central Office administrators should also be notified. Dr. Slaton noted that all staff members receive training on how to identify and deal with bullying, abuse and neglect.

- C. [SHS Handbook](#) - First Reading
- D. [SMS Handbook](#) - First Reading
- E. SMS Academic Wing Carpet Project
  1. [Ace Carpet & Flooring](#) - \$86,833.12
  2. [Potter's Carpets](#) - \$91,977.00
  3. [Seymour Carpet One](#) - \$109,224.00 - **added 5-12-20**

Mrs. Soloe made a motion to accept all quotes. Mrs. Roberts seconded and the motion carried 5-0. Mr. Riley explained that the carpet is for 25 rooms in the academic wing and will be in the squares that can be replaced as needed. The recommendation was to award the quote to Ace Carpet & Flooring for \$86,833.12. Mrs. Craig made a motion to approve, seconded by Mr. Moore. Motion carried 5-0.

- F. [Dates for 2021 Budget Public Meeting and Adoption](#)

Dr. Slaton asked everyone to remember Caitlin Hall and her family as they deal with the loss of her grandfather-in-law, Carl Hall. Mr. Hall and his wife, Maxine, both retired from Scott 2. He also asked everyone to remember Shirley Tobias and her family as her mother passed away yesterday. The Board also received a thank you card from Marcy Fryfogle for remembrances sent after the passing of her mother.

Mrs. Soloe thanked Mrs. Hart, the lunch ladies, Mr. Riley and the bus drivers for all they are doing to provide meals for students. She also thanked the teachers and parents for working together to help students with the e-learning process, stating that they realize it is a struggle, but feel like everyone is doing a great job. Mr. Brewster added that the office was contacted at 10:20 a.m. Monday morning by a local child care program that needed meals for 18 children and Mrs. Hart, Mr. Riley and their crews were able to deliver those meals less than an hour later. He added that they were also helping to deliver 2 week supplies of food from the Warrior Food Pantry to those in need. Mr. Mays stated that what our staff is doing is amazing.
