VI. Other Business

A. [SHS Handbook](#) - Second Reading

Mr. Moore asked about any student under the age of 18 having their license invalidated by the BMV due to expulsion and/or suspension. Dr. Slaton said this was an option SHS has and can be used at their discretion. SHS has to initiate the action for the BMV to act on it.

Mr. Moore wanted clarification on the rules of students using cell phones while at school. Students are not allowed to use their cell phones during instructional time. Any group work or collaborating with other students should be done with their school MacBook. There are exceptions such as a student presenting a project and possibly need to access their phone. They may do so with teacher permission. Students are allowed to use their phones during passing periods and lunch.

Mr. Moore asked about students requesting a particular staff member to be present if a search of the student was to be done. This is logistically challenging and the reason it was removed from the handbook. However, if the staff member happens to be available and depending on the severity of emergency, the request would be considered. It was noted that the current administrators have not had any students make such a request.

Mr. Moore asked if students had designated parking spots. It was explained that they do not have however, they

have assigned parking permits that are easily identifiable as to whose car it belongs to.

B. [SMS Handbook](#) - Second Reading

C. [VFES Parking Lot Project- Technical Review Committee Approval](#)

Dr. Slaton explained this was a committee formed to hear the presentations of the companies who bid on the Design Build project and develop the scoring.

Mrs. Craig made a motion to approve. Mrs. Soloe seconded, motion carried 4-0

(Item added 6-8-2020)

D. Scott 2 Federal Cares Act Grant - Mr. Brewster explained that this grant for school districts is to pay for expenses incurred as a result of the current pandemic. If the grant is awarded, Scott 2 would receive \$486,748.13. This money could be used through September 2022.

Mrs. Roberts made a motion to give Mr. Brewster permission to apply. Mrs. Soloe seconded, motion carried 4-0.

Please remember the family of long time SHS Head Custodian Art Campbell, as they deal with his passing. Art was a great guy and will be remembered by many, including the many high school students he was always so good to. Also, our SRO Officer at SES, Justin Cheatham's father (Leon Cheatham) passed away last weekend. This is also Casey Cheatham, our Deputy Treasurer's, father-in-law.

The board received a Thank You card from the family of John Mullins. (Coach Kyle Mullins's father)
